Afternoon

I can update you further regarding the above case as follows:

I have today been advised by Norfolk County Council (NCC) Officer, that they have made contact with the owner/developers Contractor and that he has met with them on site to confirm the highway works required. The last update NCC received was on 24th July in that the developer is now looking to tender the works. NCC are next expecting to receive confirmation of a works start date and will continue to follow this up.

In the meantime, if I can be of any further assistance, then please do not hesitate to contact me.

Regards

**Heidi Wedge, Planning Enforcement Officer**
